Office Address _____

(City) (State or Province) (Zip/Postal Code)

Telephone No. _____ Fax No. _____ E-Mail _____

SUPPORT MATERIALS

With this application, you must submit:

- A research plan of no more than three (3) pages that outlines what you hope to accomplish with the award; please incorporate the following headings, where appropriate:
- Title
 - Summary (Abstract)
 - Specific Aims
 - Background / Significance of Research
 - Preliminary Data
 - Experimental Design
 - References
- Brief Curriculum Vitae of NESS Members involved with the project (including the applicant)
- Appropriate institutional approvals (IRB and/or animal studies)

ADDITIONAL AFFIRMATIONS

By signing below, if chosen as the award recipient, you agree to:

- Submit an interim, progress report to the NESS Scholars Foundation by May 31, 2020, for approval/renewal of second-year funding of up to an additional \$10,000.
- Assuming approval of second-year funding:
 - Submit a final written report to the NESS Scholars Foundation by July 31, 2021 (after the activities associated with the award are completed by June 30, 2021); and
 - Attend the 2021 Annual Meeting of the NESS, September 23-25, 2021, at Foxwoods in Mashantucket, Connecticut, and make an oral presentation at that meeting about your research.

Signature of Applicant _____ Date _____

Return application form, research plan, curriculum vitae, and appropriate institutional approvals by May 31, 2019, to:
